**CONTRACT HAS BEEN EXTENDED THROUGH 12/31/99.**

---

THIS CONTRACT IS FOR SERVICE IN SOUTHERN UTAH SPECIFICALLY. SEE PD726 FOR CELLULAR SERVICE IN EASTERN UTAH OR PD525 FOR CELLULAR SERVICE ELSEWHERE IN UTAH. REFERENCE VENDOR #20789D FOR REMITTANCE.

This contract covers only those items listed in the price schedule. It is the responsibility of the agency to ensure that other items purchased are invoiced separately. State agencies will place orders directly with the vendor (creating a PG in Finet) and make payments for the same on a PV referencing the original PG. Agencies will return to the vendor any invoice which reflects incorrect pricing.

State Agencies: Please note this contract previously carried an "authorization" requirement of purchase coordination through Information Technology Services (ITS); use of this contract has been decentralized and you may now purchase directly from the contractor without ITS involvement. You will now receive billing directly from the contractor rather than ITS.
